

The Giant's Rib Escarpment Education Network is a not-for-profit organization promoting uses of the Niagara Escarpment that will ensure retention of its natural state for future generations. Our programs interpret the Niagara Escarpment through geographical, geological, historical, agricultural, and cultural experiences.

Volunteer Position Available
Marketing/Communications Co-ordinator

To move forward in a positive direction and grow to meet our potential, the Giant's Rib Discovery Centre (GRDC) is looking for individuals enthusiastic about the Niagara Escarpment World Biosphere Reserve, its preservation and interpretation to the public.

The Coordinator is responsible for posting information about the lecture series, art shows and other public programs to event calendars and media outlets. Publicity and communications are the prime responsibility for this position. Publicity for the GRDC's yearly fundraiser is also included. This position works closely with the newsletter editor, website crew and Directors.

Volunteers receive free entry to the Dundas Valley Conservation Area and assistance with transportation may be available. Co-ordinator positions attend monthly Directors meetings, and are asked, if available, to volunteer a shift each month at the Centre, although it is not a requirement.
