

The Giant's Rib Escarpment Education Network is a not-for-profit organization promoting uses of the Niagara Escarpment that will ensure retention of its natural state for future generations. Our programs interpret the Niagara Escarpment through geographical, geological, historical, agricultural, and cultural experiences.

Volunteer Position Available
Newsletter Editor

To move forward in a positive direction and grow to meet our potential, the Giant's Rib Escarpment Education Network (GREEN) is looking for individuals enthusiastic about the Niagara Escarpment World Biosphere Reserve, its preservation and interpretation to the public.

The Newsletter Editor is responsible for putting out one newsletter each month highlighting our programs and activities. The newsletter is hosted on the Mail Chimp system, so no specific design skills are required. The Editor will liaise with program directors and other Board members for additional content.

Volunteers receive free entry to the Dundas Valley Conservation Area and assistance with transportation may be available. Co-ordinator positions attend monthly Directors meetings, and are asked, if available, to volunteer a shift each month at the Centre, although it is not a requirement.

To inquire about this position, please contact info@giantsrib.ca
