

Signpost: Help save a life, Nominate a top senior and A Giant donation

Help save a life

Freeway Café has joined forces with the OneMatch Stem Cell and Marrow Network to host a swab event on March 27 to register new potential donors to help patients in need. It will be held at the café, 333 King St. E., on Thursday, March 27, from 6 to 9 p.m.

Nearly 1,000 Canadians are waiting for a stem cell match from an unrelated donor. For more on becoming a donor, visit www.onematch.ca/join.

Nominate a top senior

The call for nominations for the city's 19th annual Senior of the Year Awards closes Monday, March 31.

There's still time to nominate local seniors who have made outstanding voluntary contributions to enriching the social, cultural or civic life of Hamilton. There are nine award categories. For more, go to hamilton.ca/seniorsawards or contact Lisa Maychak at 905-546-2424 ext. 1721.

A Giant donation

The Giant's Rib Discovery Centre has received a \$10,000 grant from the TD Friends of the Environment Foundation. The grant will help fund improvement projects such as upgrades to the Dundas Valley Trail Centre, upgrades and redevelopment of the GRDC website, and the development of a travelling educational display.

The Giant's Rib Discovery Centre features fossil specimens, Niagara Escarpment displays and more.
